Pink Cream 69, Electrified

I'm Electrified, I'm humoungonized
Nothing's gonna get me down
In a world so vain, I can feel no pain
I'll take it to the second round

I'm electing you, be electric, too
Tell me that you're doing fine
It's a natural high, don't you wonder why?
Let me be your power line

It's alright, it's alright
If you take the time maybe you will see
It's alright, it's alright
Was it good for you? Well it's good for me

I'm Electrified

i'm Electrified, I'm adrenalized
Taking changes one by one
And I don't need hate to control my fate
I just wanna have my fun

I'm Electrified and my head's so wide
Nothing's gonna get me down
In a world so vain I can take the pain
Take it to the final round and round, yeah

It's alright, it's alright
If you take the time maybe you will see
It's alright, it's alright
Was it good for you? Well it's good for me

I'm Electrified
I'm Electrified
I'm Electrified
I'm Electrified

Get your hands out of your pockets
Let the world into your head
Don't you take away the passion
Put it back instead

It's alright, it's alright
It's alright, it's alright
Well it's good for me

I'm Electrified
I'm Electrified
I'm Electrified
I'm Electrified

I'm Electrified
Get your hands out of your pockets
I'm Electrified
Let the world into your head
I'm Electrified
Don't you take away the passion
I'm Electrified
Put it back instead
I'm Electrified

I'm Electrified
I'm Electrified
I'm Electrified

I'm Electrified
