Planetshakers, You Are

God, You are my God
And I will praise
Your Name for all of my days

Your Kingdom will reign
Forever always
Name above all names

King of kings, Lord of lords
Jesus Your Majesty

My God and my King
My everything
Nothing else can compare
To Your love

Show me Your ways
King of all days
My heart cries out for You

For You are the King of all kings
And You are the Lord of all lords
I will lift up my voice
I will worship forever

I will worship You forever
Jesus King my Lord my Saviour
