Poison, Ww Sex

You're such a sexy thing and it's all right
But your daddy loves you and that's all right
He buys you diamond rings, but I'm giving you better things
That's all right, all right

Chorus
No doubt about it you're the queen of the fine
You can crawl up in me any ol' time
Slide up slow like a rattlesnake
Suck me in with every move you make
Heartbreaker

You talk so soft and sexy call me honey
Your eyes make love to me, take my money
Your body can hypnotize you let me fantasize
I can't hide it, I can't hide it

Chorus
No doubt about it you're the queen of the fine
You can crawl up in me any ol' time
Slide up slow like a rattlesnake
Suck me in with every move you make
Heartbreaker

The more I get the more I need

You have no idea what you're doing to me
I breakdown, I breakdown
The only way to forget about my ex
Is the wonderful sound of your sex yeah
You're so sexy, I want to touch you
But it's closing time, what could I do
You drive up in your corvette
I try to get you into my corvette
No dice
But I still love you

Chorus
No doubt about it you're the queen of the fine
I'd like to see you here tomorrow night
Slide up slow like a rattlesnake
Suck me in with every move you make
Heartbreaker

The more I want, the more I need
No idea what you're doing to me
Heartbreaker
Yeah i, I like it

(bridge, fade with whistle)
