Polysics, Disorder

I'm going out of my mind
Even can't get my feet off the ground
Feel like I'm down and out
Somethin' in my head, and he talks to me
I gotta be disordered, I gotta psycho
Even can't get any sleep day and night
Feel like I'm insomniac
Somethin' in my head, and he disturbs me
I feel sensless
I've got to be sleepless
I feel timeless
I've got to be unknown place
Oh.. I gotta super shocked!
I'm going out of my mind
Even can't get my feet off the ground
Feel like I'm down and out
Somethin' in my head, and he talks to me
I gotta be disordered, I gotta psycho
Even can't get any sleep day and night
Feel like I'm insomniac
Somethin' in my head, and he disturbs me
I feel sensless
I've got to be sleepless
I feel timeless
I've got to be unknown place
Oh.. I gotta super shocked!
I feel sensless
I've got to be sleepless
I feel timeless
I've got to be unknown place
Oh.. I gotta super shocked!
Oh.. I gotta future shocked!
