PRETTYMUCH, Lying (ft. Lil Tjay)

sorry to call you
so unexpected
though you’d be sleeping
I was gonna leave a message
in case you’re wondering
I am counting blessings
just bouth this California king
and it’s expensive

haven’t picked a side yet hardly sleep
I been going out
you did me a favor honestly
I’m so much better now

but I’m lying when I talk to you
cause you’re lying under someone now
and I am dying wonna tell the truth
I am no /3x
over you
but I am lying when I talk to you
cause you’re lying under someone now
and I am dying wonna tell the truth
I am no /3x
over you

in hits me right in ythe chest
but I still wish you the best
until I see you again
