

# 911, Moving On

Moving on our way  
Moving on our way

I will always remember  
Our first days together  
It felt like we had known each other forever  
We were dreamers  
And we were believers  
To give up everything  
To follow this dream  
But one thing that we have learnt  
Is to stand, together as one  
And nothing will overcome  
And nothing's gonna stop us now  
Moving on our way

Chorus:  
We're moving on in the one direction  
We're growing stronger with each passing day  
We're moving on we'll always remember  
All of our friends all along away  
Moving on our way

Now there's been hard times  
As the road unwinds  
We've grown closer  
It's been worth all the sacrifice  
Time are changing  
And I hear what you say  
Can't look at the world  
Through innocent eyes  
We promise we will never forget the message  
Keep the faith as long as your here  
By our side  
We'll make this music last for all time  
Moving on our way

Repeat Chorus
