

98 Degrees, Don't Stop The Love

Oh no ... oh no, no ... oh yeah
[Hey baby, whatever you want
Whatever you need, is yours girl,
But whatever you do
Please don't stop the love]
Some say that I'm professional
Cause I know how to handle mine
Be still, be cool and wait awhile
And I'll show you what some say is right
Now don't get the wrong impression
I don't do this all of the time
But when I see you all I wanna do
Is make you call my name by the candlelight
Don't stop the love, if the speakers blown
Even if we ain't alone, I am into you
Don't stop the love, if it feels good
Just like I knew it would, I am into you
Don't stop the love, if the fallen rains
I'll do anything, I am into you
Don't stop the love for anything
I'll do everything, I am into you
Some people like to talk a lot
About what they say they can do, Oh yeah ...
But I wanna be the first
To sit you down, show and prove, Oh yeah ...
(Don't stop the love)
Now don't get the wrong idea
I don't do just anyone
But when I see you all I wanna do
Is make sweet love till the morning sun, baby
Repeat Chorus
Just relax and let me do my job
(Let me do my job)
If this is a full time baby
I'm never taking off
As long as you're here by my side
Repeat Chorus till fade
Don't stop the love baby, you're driving me crazy
You know I can't go on, this feeling is oh so strong
Don't stop the love baby, you're driving me crazy
You know I can't go on, this feeling is oh so strong
