Radu, Leave me alone

1. You never let me try
To tell you how I feel
My heart is broking down
And cryin`...
2. You`re coming in my dreams
I feel that you are here
I need your talk so much
And dyin`...
Ref: Leave me alone come tomorrow
Leave me alone in my dreams
Leave me alone come tomorrow
Leave me alone...
3. Why don`t you understand
How much you mean to me
I gave my soul to you
Forever...
4. I lookin` for a world
A world for you and me
There only way to be
Together...
Ref: Leave me alone come tomorrow
Leave me alone in my dreams
Leave me alone come tomorrow
Leave me alone...
5. Baby, baby, come back to me,
I don`t wanna` be lonely tonight
Baby, baby, come back to me,
For a single night,
I`ll give you my life.
Ref: Leave me alone come tomorrow
Leave me alone n my dreams
Leave me alone come tomorrow
Leave me alone...
