

# 98 Degrees, Give It Up (Interlude)

Hey, yeah  
Now here's the story  
One we both know  
About two people  
When they lost their self control  
If we're not careful  
It might be you and me  
When things are good  
You gotta let them be  
Oh, why you wanna play me around  
Why you wanna mess with this love that we've found  
Why you wanna tear us apart  
If you're trying to break my heart  
You better give it up, give it up  
'Cause I'm not gonna take anymore  
Yeah, my heart has made mistakes like this before  
If you don't start treating me right  
I'm gonna give it up, give it up, give it up  
Starting with tonight, yeah  
Oh, Oh baby, Oh yeah  
Starting with tonight, I'm gonna make it right  
Oh, Oh yeah  
So why you wanna play me  
Play me around,  
Oh baby  
Calm down
