Rasmus, In My Life

Feel the heat below my feet
I have to go, no time to sleep
Can't believe the things you say
I turn my head and walk away
You make me sick - you make me nervous

Times had gone when you would say
This is the one and seize the day
Times had gone for honesty
My victory is your defeat
Can't you see you've been mistaken

In my life I decide and it turns me on,
How I am, how I live, who I love
In my way I feel strong and it turns my on
In my life, I decide, I decide

I decide

I decide

All you do you can't deny
It's waste of time, waste of life
Can I suggest that you invest
In something more than hopelessness
Before you know the ride is over

In my life I decide and it turns me on,
How I am, how I live, who I love
In my way I feel strong and it turns my on
In my life, I decide, I decide

It's up to you if you give it up
It's up to you if you won't stop
It's up to you if you give it up
It's up to you if you won't stop

It's up to you if you give it up, give it up
It's up to you if you won't stop
It's up to you if you give it up, give it up
It's up to you
It's up to you...

The record shows that you're dead but you're still living
Every time you have died you have been given
Another chance to fix your bad attitude
And make a move, it's up to you

It's up to you if we give it up, give it up
It's up to you if we give it up, give it up
It's up to you
It's up to you
YOU...

Give it up
Give it up
Give it up
Give it up

Give it up
Give it up
Give it up
Give it up

...
