

# 98 Degrees, I Do (Cherish You)

I Do, I Do babe  
I Do, I Do

All I am, all I'll be  
Everything in this world  
All that I'll ever need  
Is in your eyes  
Shining at me  
When you smile I can feel  
All my passion unfolding

Your hand brushes mine  
And the thousand sensations  
Seduce me 'cause I

I do cherish you  
For the rest of my life  
You don't have to think twice  
I will love you still  
From the depths of my soul  
It's beyond my control  
I've waited so long to say this to you  
If you're asking do I love you this much  
Well I do

In my world, before you  
I lived outside my emotions  
Didn't know where I was going  
'Till that day I found you  
How you opened my life  
To a new paradise

In a world torn by change  
Still with all of my heart  
'Till my dying day

And I do cherish you  
For the rest of my life  
You don't have to think twice  
I will love you still  
From the depths of my soul  
It's beyond my control  
I've waited so long to say this to you  
If you're asking do I love you this much  
Yes I do

If you're asking do I love you this much  
Baby I do  
I'll cherish you  
This much I know its true  
From the depths of my soul  
It's beyond my control  
I've waited so long to say this to you  
If you're asking do I love you this much  
Baby I do

Oh oh I do -----
