Relish, Summer Breeze

ooh, yeah
summer breeze in my mind
do do do do do
no no no, its all in my mind
Chorus:
summer breeze
makes me feel fine
blowing through the jasmin in my mind
do do do do do
see the curtains hanging in the window
in the evening on a friday night
a little light shining through the window
lets me know everything's alright
Chorus:
sweet days of summer
the jasmin's in bloom
July is dressed up
and playing a tune
when I come home from a hard day's work
and you're waiting there
not a care in the world
see the smile waiting in the kitchen
food cooking on a plate for two
feel your arms reaching out to hold me
in the evening when the day is through
Chorus:
