

98 Degrees, Never Givin' Up

Tell me what's been going on
how did our love go so wrong
Cause I know that I made some mistakes
Oh baby
And girl, it's written on your face
That you wanna walk away
And just say that your feelings have changed, oh yeah

I know you still need me
I can see it in your eyes
You're afraid of your feelings
But, girl, you can't deny

You know that I tried a thousand times
To win your love but it's ever enough
It's been a dream for you and me
And, girl, can't you see
That I'm not giving up
I'm never giving up

All I need is one more chance

Don't give up on this romance
I'm the that's got just what it takes, oh yeah
So don't go wasting all your time
A love like this is hard to find
I'm right here and I swear I'll be waiting
And deep down you're hurting
I can see it in your eyes
I know you still want me
But you have to realize

[chorus]

And deep down you're hurting
I can see it in your eyes
I know you still want me
But you have to realize

[chorus]
[repeat x3]
