Renaissance, In My Life

If I could be here with you today
I would change all my ways
Show you how I really care
Night and day I'd be there
All the moments I wasted then
Calling you on the phone
All the things I should have said
Like how much I need you
In my dreams I think of you
Of all the things I didn't do
Can I show you now
In the morning and the night
There's nothing that I wouldn't do
To have you in my life
I'd be there when you need a friend
When you're sad I'd be strong
Holding you to keep you warm
Be there when you need me
I would turn back the clock today
I'd be faithful and true
We could be in love again
What I wouldn't do for you
In my dreams I think of you
Of all the things we didn't do
Can I show you now
In the morning and at night
There's nothing that I wouldn't do
To have you in my life
In my dreams I think of you
Of all the things we didn't do
Can I show you now
In the morning and at night
There's nothing that I wouldn't do
To have you in my life
