Rentals, Naive

Is this it?
Are we done?
Must we carry on?
Like such fools
Shameless fools
Is it finally over?
Why when I call
Must it take so long,
Many weeks
Sometimes months
For you to call me back?
You're so naive
'feel so naive
You're so naive
'feel so naive
My friends were right
Should have played it smooth
Should have tried to lie
Instead of being true
You're so naive
'feel so naive
You're so naive
'feel so naive
I feel so alone inside
as I rest my head to go to sleep
One more time
Though I know it's wrong
Maybe you change your mind
And everything is fine
You're so naive
'feel so naive
You're so naive
'feel so naive
