Rhian Benson, The One

My love is so strong
I cannot go on
Sweet love your here and I'll hope you'll stay (ayy yeah)
With you I feel complete
Your the reason my heart beats
Oh have I got something to say (oooh)

Will you reach up to the sun
And it pull it from the sky
Will you paint its warmth into my smile
Will you tell the wind to blow away each tear
That I ever cried
Are you the one?

Love of my life, yes you are
Into my tide, yes you are
Light of the sun, yes you are, you are the one

My fears have grown and gone
My tears have blown so long
See darling you make my life so right (yeah)

Will you reach up to the sun
And it pull it from the sky
Will you paint its warmth into my smile
Will you tell the wind to blow away each tear
That I ever cried
Now, I know you're the one

Love of my life, yes you are
Into my tide, yes you are
Light of the sun, yes you are, you are the one
(ohhh oh yeaah)

You are the one

Love of my life, yes you are
Into my tide, yes you are
Light of the sun, yes you are, you are the one
(yeah yeah)

Love of my life, yes you are
Into my tide, yes you are
Light of the sun, yes you are, you are the one

You are the one
See, your are the one
You are the one
