Roy Drusky, Don't Let Me Cross Over

Don't let me cross over love's cheatin' line
I'm tempted my darling to steal you away don't let me cross over stay out of my way
You know that I love you and I'm not the stealing kind
But I'm faced with heartaches at love's cheatin' line
Don't let me cross over love's cheatin' line
You belong to another and can never be mine
I know one step closer would be heaven divine
Don't let me cross over love's cheatin' line
[steel]
(I've tried to forget you but what else can I do
When your eyes keep saying that you love me too
I know if I lose you not a dream will I have left
I don't want to cheat dear but I can't help myself)
Don't let me cross over...
