Ruth Ann, The Woman I Could Be

Many weird situations, life is a strange game
Eye on eye we think like one
But after, you just run away
The more I think about, I don't know how you feel
But give me the chance to show you

The woman I could be
Come closer and you'll see
The woman I could be
Just tell me, how I can show you
The woman I could be

The quintessence of life
Doesn't matter how it seems
Is to have the one aside to share the joy and the tears
Without you nowhere land, turning circles and no end
Don't hide away just to look and see

The woman I could be
Come closer and you'll feel
The woman I could be
Just tell me, how I can show you
The woman I could be

The woman I could be
Come closer and you'll feel
The woman I could be
Just tell me, how I can show you
The woman I could be
