Ryan Adams, Note To Self Don't Die

I'm as blue
I'm as blue as the ocean is true, it's just reflections
of the sky
I'm as cold
I'm as cold as the stories you told but never sick
enough to die

Note to self don't change for anyone
Note to self don't die
Note to self don't change for anyone
Don't change just lie

I'm as sick
I'm as crass as the things in your past you wished that you
could let them go
Caged Birds
Caged animals starving for class
In your house when you're alone

Note to self don't die for anyone
Note to self don't die
Note to self don't change for anyone
Don't change just lie

Who do you call when you're alone
Nobody, baby
Who do you want to be, figure out and just let me know
Don't change, don't change, don't change
Just let me go
Just let me go
Just let me go
