Sammy Hagar, 24365

Yeah, I want to get up and do my thing
Yo, express myself
Tell it like it is
Hit me now

"""24365""" Gonna party now
"""24365""" Kick it up
"""24365""" To the middle now
Flip flop, tank top, 'round the clock, non-stop, hey

Well, there's a party on the freeway
A body on the run
Got a king in the closet, uh
A fat man in a hot tub
Well, got a needle on a red line
A bumper on a tail, hey, hey

We got James Brown on the box
Booze on the rocks
A monkey on a leash
A half-drunk priest
And a parrot that talks, hey

"""24365""" Gonna party now
"""24365""" Kick it up
"""24365""" To the middle now
Flip flop, tank top, 'round the clock, non-stop, hey

Hey, hey, hey

Bootsie got a diaper on
With a super fine freak, wooh
Got Sushi in a fishbowl, hey
Singin' hide and go peek
Well, everybody's in the bathroom
Burnin' down the house, hey, hey

Well, sun comes up
Homey passed out on the floor
Pickin' up the pieces
Roll 'em all up for the party next door, hey

"""24365""" Gonna party now
"""24365""" Kick it up
"""24365""" To the middle now
Flip flop, tank top, 'round the clock, non-stop baby

Yeah, yeah, yeah
Get it, get it, get it
Yeah, yeah, yeah, yeah
Wooh
Yeah, yeah, yeah, yeah
Uh, ha
Uh, oh, good God Almighty

Oh, my goodness
Everybody ready?

Well, we got a party on the freeway, uh
A bumper on a tail, hey
A fat man in a hot tub
Sushi in a fish bowl
Well, everybody's in the bathroom
Burnin' down the house, hey, hey

We got James Brown on the box
