

# A\$AP Rocky, Roll One Up

[Chorus]

Let me know, know what's up  
Before I roll, roll one up (Yeah)  
Let me know, know what's up (Yeah)  
Before I roll (Yeah) roll one up  
I've been rolling up, that reefer got me high, high  
I've been rolling up that weed, it got me high, high  
I've been rolling up, sativa got me high, high  
I've been rolling all week, it got me high, high

[Verse 1]

Puff, puff, pass, take a drag, just don't steam it though  
Smoking on that captain kush, this shit is unbelievable  
My shit come from Mexico, yeah, I got that dimelo  
Mama said leave weed alone but I think I need it though  
Oh, oh, niggas getting throwed  
Oh, oh, we blowing purple smoke (Yeah)  
Oh, oh, the kush and purple haze (Alright, alright)  
Oh, oh, we flying paper planes  
'Cause I'm always talking fly shit, fashion be the topic  
That's why all these hoes wanna hop and jump on my dick  
Then she looked at me and said, "How lower can your eyes get?"  
Let me know who's chipping in, this before I cop it

[Chorus]

Let me know, know what's up  
Before I roll, roll one up  
Let me know, know what's up  
Before I roll, roll one up  
I've been rolling up, that reefer got me high, high (Yeah)  
I've been rolling up that weed, it got me high, high (Yeah)  
I've been rolling up, sativa got me high, high (Yeah)  
I've been rolling all week, it got me high, high

[Verse 2]

Rotation is like basketball, blunts is going back and forth  
Niggas mixing hash and dro with cinnamon, that's applesauce  
Show this what you asking for? Liquor is my last resort  
Steaming niggas grab the torch (Then puff, puff, pass it off)  
Uh, tell me what you think about it  
I've been getting high, I'm tryna get a drink around it  
Now my high is higher than it's ever been  
(I'm so motherfuckin' high) I think I might never land  
They be talking crazy but I've been rolling hazies up  
I've been having like a twenty, forty then that eighty bucks  
Man, I come through, get that Mercedes truck and them ladies fuck  
They already know we got them blunts and we blazing up

[Chorus]

Let me know, know what's up  
Before I roll, roll one up  
Let me know, know what's up  
Before I roll, roll one up  
I've been rolling up, that reefer got me high, high  
I've been rolling up that weed, it got me high, high  
I've been rolling up, sativa got me high, high  
I've been rolling all week, it got me high, high
