Scott Walker, We Had It All

I can hear the wind a-blowin' in my mind
Just the way they used to, through the Georgia pines
You were there to answer when I called
You and me- Lord knows, we had it all

Remember how I used to touch my hand
While reaching for a feeling, that was always there
You're the best thing in my life that I recall
You and me- Lord knows, we had it all

I know that we could never live those times again
So I let my dreams take me back where we've been
And I stay with you, girl, as long as I can
Oh, it was good- oh, so good
When I was your man

Never stopped believing in your smile
Even though it didn't stay- it was all worthwhile
You were the best thing in my life that I'd recall
You and me- we had it all
