You know dem butterflies.
That makes you feel good don't it, you want that to last forever.
Yo check it

[Verse 1]
If you were looking through my eyes you would see just how a man could feel this way.
(ooohoohooh)
Truly it's no disguise even on a rainy day she'll erase the grey.
(ooohoohooh)

Girl it's the way you move (hey yeah).
That ain't all it's more than that.
It's in everything you do (hey yeah).
I know you always gonna have my back.
It's something that I can't explain,
Can't hide the way I feel when I'm with you (when I'm witchu girl).
It's written all over my face baby.

[Chorus]
If you see it in my eyes, That's love (that's love).
And it's all in my smile, That's love (that's love).
When we hold each other tight, That's love (that's love).
Kiss each other good night, That's love (that's love).
And the reason why I stay, That's love (that's love).
When you can't walk away, That's love (that's love).
And when we call each other babe, That's love (that's love).
That's love (that's loooove)

[Verse 2]
When you sleep sometimes I stare, reminiscin back when I first laid eyes on you.
(ooohoohooh)
Always showed me that you care, that's the reason why I try so hard to be true (to you).

That ain't all it's more than that.
It's in everything you do (hey yeah).

I'm not gonna let it go.
This thing we have baby.
Girl you are my everything, you don't know how much to mean to me.
That's why I wouldn't trade you for the world.
