Skywind, Circles In The Ground

Outside The Borders You Push And You Pull
Falling Face First To The Dirt
Ignoring Teardrops From The Faces
You've Altered
Exchanging Ego Boost For Thirst

What Was It You Said?
You'd Keep Me In One Piece
(One State Of Denial)
What You Didn't Get Inside Me Was
One Thing
One Place In My Mind
Mine

Now You Don't Seem To Move Me
You're Looking Right Through Me
And You Did It To Me
Who's Holding Who Now

You Don't Seem To Move Me
You're Looking Right Through Me
And You Did It To Me
Who's Fucking Who Now

Impressionistic Games
Drama Wrapped In Cellophane
Benefitting No One In The Dark
So When You Light The Fuse
Understand I'll Be Confused
I'm Only Here To Break Your Heart

Now
I Don't Feel This Turn Taking Me Around
I Don't Feel This World Bringing Me Down
I Don't See Circles In The Ground
I Don't See You
