Slade, Run Away

I like black and white
Dreaming in black and white
You like black and white
Run away
See chameleon
Lying there in the sun
All things to everyone
Run away
If you're in the swing
Money ain't everything
If you're in the swing
Run away
See chameleon
Lying there in the sun
All things to everyone
Run away
If you gotta crush
Don't beat around the bush
When I gotta crush
Run away
See chameleon
Lying there in the sun
All things to everyone
Run away
Oh now can't you wait
Love don't come on a plate
Oh now can't you wait
Run away
See chameleon
Lying there in the sun
All things to everyone
Run away
Run away
Run away
Run away
