Slim Cessna's Auto Club, Cranston

I heard a rumor up in Cranston
"Son, please do tell"
So lock you shutters and your doors
"lock you window wells"
The city sinner's back in Cranston
"Says it all so right"
He's come to settle up the score
"It's time to say goodnight"

Cranston city say goodnight

Need I remind the folks in Cranston
"You might as well"
The city sinner sits up there
"Sits up down in Hell"
The sinner doesn't come from Knightsville
"He comes from Olneyville"
Come back to Cranston if you dare
"Said it oh so well"

They've got a problem down in Cranston
"Says it got to warm"
I hear them murderers and whores
"Oh yes I know them whores"
Need I remind the folks in Cranston
"He said it oh so well"
He's come to settle up the score
"you'd better say your prayers"

Cranston city say your prayers

I know he's not from Pawtucket
I know he's not down in Knightsville
I know he's not in Woonsocket
Aw hell you see the Cranston city sinner
He sits on top of Laurel Hill

...
