

# A Billion Ernies, The Disease Of Cool

Why should we care about what other people think  
All it does is make our hearts sink  
I know as Christians we are set apart  
I know you want to be cool but listen to your heart  
God doesn't care what other people think of Him  
He stands with open arms even if you don't believe in Him  
He's always there so don't be afraid  
Just open up your heart and let Him in  
Jesus came down to free us from sin  
How can someone sleep without Him tucking you in  
Life is life yeah you know it  
Another cool hat won't help it  
All you need is a spot for God to sit  
Just be cool that's all that matters  
Why are you trying to please everyone else  
Don't do that if you can't even please yourself  
I don't want to be a trend setter  
I want to live like Jesus did
