

A blue Ocean Dream, Music Roboter

Industry

Working in a factory

Production & time
work to the hammer chime

Machinery

Takes all of your energy

The industrial wheel

Melting iron & steel

Im a music roboter

Synthetic pop manufacturer

Im a music roboter

Electropop mind challenger

Planning to escape

As your dreams take shape

You hope to be free

Close your eyes and count to three

Its a demanding life

Words cut sharp as a knife

Bringing you down

Lift your head and turn around

Im a music roboter

Synthetic pop manufacturer

Im a music roboter

Electropop mind challenger
