

# A Boogie Wit Da Hoodie, Swervin

swervin  
how you look so perfect  
on your worst days

double C your purses  
you deserve it  
niggas in your DNA  
they be thirsty  
and in person  
but you're curving  
curve little body  
love your surface

I am all on your body  
make you nervous  
I like the way you keep up  
with your earnings  
it's ok  
cause you swervin
