

A Brand, Hammerhead

Prove 'em wrong girl don't deny it
Prove 'em wrong, girl
Time's against you, well I'm against time
Prove 'em wrong, girl
You wake up and you might find
Prove 'em wrong, girl
Be of your time when it's your time to shine
Prove 'em wrong, girl
And you know you're right
And you just keep it out of sight
And you know you're right
And you just keep it out of sight
You push, you shove, you shout
You kick, you spit, you hit
You push, you shove, you shout, you kick
You spit, you hit, you spit, you hit, you spit, you hit
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
You don't need a house on the esplanade
Prove 'em wrong, girl
You're just as stubborn as your old man
Prove 'em wrong, girl
You are sick and tired, they're full of shit
Prove 'em wrong, girl
All these people trying to buy you out

And you know you're right
And you just keep it out of sight
And you know you're right
And you just keep it out of sight
You push, you shove, you shout
You kick, you spit, you hit
You push, you shove, you shout
You kick, you spit, you hit
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
If it makes tomorrow alright, hammerhead
Hammerhead, hammerhead, hammerhead
