Sparta, Unstitch Your Mouth

So set it right
Find your backbone and start a fight
I'll do what I can do
Oh, fall in line
Oh, I'll decide
Unstitch your mouth
Close your eyes and scream out loud
I'll do what I can do
Oh, fall in line
Oh, I'll decide
You got To kill your doubt
Tear it open and burn it out
I'll do what I can do
Oh, fall in line
Oh, I'll decide
Step away from this
You can tolerate you can resist
I'll do what I can do
Oh, fall in line
Oh, I'll decide
Oh, fall in line
oh, I'll decide
