

# A Camp, Elephant

I caught you smiling  
with pointed teeth  
what once was beautiful  
has turned bitter and cheap  
So now theres nothing I can do for you  
but leave your roses out to die

I misbehaved  
Im in your way  
in your way like an elephant

Gentle smiling  
with pointed teeth  
now theres a war between  
my high hopes and me  
So this is how you put an end to things  
by cutting throats with a smile

I misbehaved  
Im in your way  
in youre way like an elephant

But in the corner of my mind  
a little angel saying  
"Dont waste youre love,  
you love too much"
