

A Camp, Elephant

I caught you smiling
with pointed teeth
what once was beautiful
has turned bitter and cheap
So now theres nothing I can do for you
but leave your roses out to die

I misbehaved
Im in your way
in your way like an elephant

Gentle smiling
with pointed teeth
now theres a war between
my high hopes and me
So this is how you put an end to things
by cutting throats with a smile

I misbehaved
Im in your way
in youre way like an elephant

But in the corner of my mind
a little angel saying
"Dont waste youre love,
you love too much"
