Stephen Speaks, Inspiration

(Job 32:8)
(R. Ripperger)

You are my inspiration in work and in play
In the verses I sing and the words that I say
You are to my life, what the sunshine is to the day
And you know that you're welcome to stay

Every candle has a match
And every Journey has a start
Every day has a sunrise
To motivate it's start
And like the cool waters flow
From the mountain spring
You are hope to my soul
That there's more than I've seen
