

# A Camp, The Oddness Of The Lord

Come on baby sing  
Of the oddness of the lord  
It's about time we sang  
Of the strange ways of the lord

The oddness of the lord  
The oddness of the lord

Come on baby sing  
Of the oddness of the lord  
The strange ways of the lord  
The sacred and the cursed

It's never getting better, no no no  
It's only getting worse

Come on people sing  
Of the oddness of the lord  
Everybody sing  
Of the strange ways of the lord

The oddness of the lord, ah ah ah  
The sacred and the cursed

It's never getting better, no no no  
It's only getting worse

It's never getting better, no no no  
No no
