Stretch Arm Strong, Ignition (Guest Vocals Jason

Seeing changes in myself that I just can't believe.
Experiencing life with all my heart on my sleeve.
Open this brand new world I turn my soul inside out.
Complete exposure.
Erasing any sense of doubt.

Now it seems so clear to me.
This is the way I want to be.
So i put my trust in you.
Please help me see this through.

Experiencing feelings that I've never felt before.
Taking chances and going for so much more.
Heart is pounding, pulse is racing.
Confidence building in all I'm facing.
Now I know I'll never break down.

Now it seems so clear to me.
This is the way I want to be.
So i put my trust in you.
Please help me see this through.
