Sublime, One Cup Of Coffee

You gotta be genuine, thats the name of this game
If you're real, you got nothin to worry about
But if you're synthetic the more your balls come off

I got the money like the lawyer said to do
But it can't replace the heart ache i cost you
Oh tomorrow I'll be leaving, i know
'cause one cup of coffee and then i'll go

I got the money like the lawyer said to do
But it can't replace the heart ache i cost you
Oh tomorrow I'll be leaving, i know
But one cup of coffee and then i'll go

One cup, before you fool yourself
Judge not, or you're not ready for judgement

Oh the road to life is rocky
And you may stumble too
So as you point your finger
Someone else is judging you

Judge not, before you judge yourself
Judge not, or you're not ready for judgement

Oh the road to life is rocky
And you may stumble too
So while you're laughin at me
Someone else is judging you
