Suburban Legends, All The Nights

I met you once at an emo show
We hit it off well and our friendship did grow
You talked about girls, I told you my past
We were best friends but that didn't last

Well I don't know what you've been told
You never called me back, you grew so cold
That was when you met those guys
You ignored me then and you told me lies

Cause all of the nights
I sit on my ass wasting all my time
And I can't seem to bare
That you don't care

People ask about you and me
I tell them that it was never meant to be
You be came a prick, we grew apart
I shouldn't have trusted you from the start

Well, time goes by and you grow old
Your deck is full, but you cannot fold
So you're in a bind and you come to me
Too bad, you won't get my sympathy

Cause all of the nights
I sit on my ass wasting all my time
And I can't seem to bare
That you don't care

Well time goes by and you grow old
Your deck is full but you cannot fold
So you're in a bind and you knock at my door
Well, guess what, man, you're not my friend anymore

Cause all of the nights
I sit on my ass wasting all my time
And I can't seem to bare
That you don't
You don't
You don't
Care
