Tammy Cochran, Go Slow

Soft touches on my skin
Warm breath dancin
2 bodies fit ....perfectly
a night thats full of magic
So close I can hardly stand it
2 hearts pounding rapidly
Oh baby I beg for mercy...
Take it nice and easy

And go slow baby
Go slow baby
Lets drown in every minute
There's no need to rush right thru it
I've waited baby
For you to save me
And now that I've found you
I wanna wrap my love around you
Go slow

The night is oh so young
Love me til the sun comes up
Make me feel your need
Soft tender savage kisses
Ohhh is this what love is
Baby i've waited so long
Let's just stay in this moment
For as long as we can take it

And go slow baby
Go slow baby
Lets drown in every minute
There's no need to rush right thru it
I've waited baby
For you to save me
And now that I've found you
I wanna wrap my love around you
Go slow
