The Angels, I Adore Him

I ADORE HIM
The Angels

Note: Parts of this song are garbled by basso singing, singing over each other, and the other tricks that were the style then. I apologize, and if anyone has better lyrics, send them to Lyrics World!

They say he doesn't love me but they don't know
He makes me feel so happy when I'm feeling low
My friends just can't seem to see
That he means the world to me
And that he's mine and I adore him
(He's everything everything to me)
Oh I adore him
(He's all that a boy that a boy can be)
Yes I adore him
(several lines are unintelligible)
But sometimes when I cry at night
He makes things turn out alright
And that he's mine and I adore him
(He's everything everything to me)
Oh I adore him
(He's all that a boy that a boy can be)
Yes I adore him
(those unintelligible lines again)
When we walk hand in hand through the (-----? unclear)
I never feel afraid
Knowing he's around
They say he's cheating on me
But I don't care
Cause when I need his loving
He's always there
I can't help but wonder why
I've been blessed with such a guy
And that he's mine I adore him
