The Benjamin Gate, Gratitude

I feel so purified inside
My hands stretched out to this sky so wide
Overwhelmed love so free
I'll drown inside the tears You weep
Deeply magnified
My heart comes alive inspired

(Chorus 1:)
This gratitude
When it all comes out
You're my gift of life
Back and forward thru time
(Chorus 2:)
This gratitude
When it all comes out
You're my gift of life
Back and forward, back and forward thru time

How good it is to be alive
My heart lives inside inspired by Your love
All You give - so divine
My heart is inspired by the life You live
So fine dreams run thru my mind
My heart comes alive inspired

(Chorus 1 X 3)
(Chorus 2)

This freedom and joy
That runs so deeply in my heart
My heart comes alive
My life is inspired

(Chorus 1 X 4)
(Chorus 2)
