The Benjamin Gate, Nightglow

If I close my eyes I can still see
This night be light to me
Twist and turn in my weak soul
Seach for your coal to burn me

(Chorus:)
In Your nightglow, in Your nightglow
In Your nightglow, in Your nightglow

Though my eyes are tight
In a promise sealed
Your Spirit sees for me
And I take Your hand, my heart is Yours
To wonder in this land

(Chorus)

Because of Your nightglow
I can see Your nightglow
