The Buzzcocks, Energy

Energy (oh oh)
Well in my mind - yeh
Energy (oh oh)
Wasting so much time - yeh
Energy (oh oh)
Walk in a straight line - yeh
Energy (oh oh)
Killing off my mind and
Wasting so much time
And energy, energy
Killing off my mind
And energy, energy

Oh energy (oh oh)
Before I slow - yeh
Energy (oh oh)
TV overload - yeh
Energy (oh oh)
No where to go - yeh
Energy (oh oh)
Teenage dreams explode and
Wasting all my time
And energy, energy
Killing off my mind
And energy, energy - ohhhhh

(Let me dance
Let me dance)

Wasting all my time
And energy, energy
Killing off my mind
And energy, energy - oh
Energy (oh oh)
Well in my arms - yeh
Energy (oh oh)
Well in my legs - yeh
Energy (oh oh)
??????? begs - yeh
Energy (oh oh)
For the right to live - yeh
Energy
Wasting all my time and
Energy
Wasting all my time and
Energy

To take this country
Energy
To take this land
I need energy

To take this country
Energy
To take this land
I need energy

To take this country
Energy
To take this land
I need energy

To take this country
Energy

To take this land
I need energy

To take this country
Energy
To take this land
I need energy
