The Equals, Soul Brother Clifford

Brother Clifford

play that organ sound.
Play with fingers of fire
play that organ sound.

Brother Clifford plays the organ

in the local Baptist church

and to all the congregation

he can make the organ talk.
Saturday the church is jam-packed

people come from miles around

suddenly the air's electric

when Brother Clifford takes the stand.

Sister Virgin you're an cold cow

watch-a gonna do ?
Johnny
you're a little scoundrel

I'm gonna tan your hide for you.
Sister Virgin
reached her hand out

to give Johnny one around the ear

caught an old man who was napping

and she got one back
no fear...
