

# A Day To Remember, You Had Me At Hello

I'm missing you so much, I'll see you die tonight  
Just so I can get to you before the sun will rise  
I know the signs are on and I feel this too  
None of that ever seems to matter when I'm holding you

And I'm wasting away, away from you

What have I gotten into this time around  
I know that I had sworn I'd never trust anyone again but I didn't have to

You had me at hello.

I've never seen a smile that can light the room like yours  
It's simply radiant, I feel more with everyday that goes by  
I watch the clock so I can make my timing just right

Would it be okay?  
Would it be okay if I took your breath away?

And I'm wasting away, away from you.

What have I gotten into this time around  
I know that I had sworn I'd never trust anyone again but I didn't have to

You had me at hello

You gave me butterflies at the mailbox, you had me at hello.
