

A Day To Remember, You Had Me @ Hello

I'm missing you so much, I'll see you die tonight,
Just so I can get to you before the sun will rise.
I know the signs are on and I feel this too,
None of that seems to matter when I'm holding you.
And I'm wasting away, away from you.
And I'm wasting away, away from you.
What have I gotten into this time around?
I know that I had sworn I'd never trust anyone again but I didn't have to...
You had me at hello.
I've never seen a smile that can light the room like yours,
It's simply radiant, even more with everyday that goes by.
I watch the clock so I can make my timing just right.
Would it be okay? Would it be okay?
if I took your breath away.
And I'm wasting away, away from you.
And I'm wasting away, away from you.
What have I gotten into this time around?
I know that I had sworn I'd never trust anyone again but I didn't have to...
You had me at hello.
(You gave me butterflies at the mailbox)
You had me at hello.
