The Poets, Let' Go Crazy

LETS GO CRAZY!
(Thomas G:son)
Friday night and Im in love
I cant hide it, fight it, (I) cant be stopped tonight
I want to feel your heartbeat
Oh, baby all that I need
is just to have some fun tonight
CHORUS
Lets go, lets go crazy
Im in love, lets go baby
Lets go, lets go crazy
Im in love, take me on tonight
make me feel alright
Ill do just what you want to
I really mean, I need to have you
Lets go, lets go crazy now
Friday night and youre the one
Come on baby, maybe something starts tonight
You think youll live forever?
Maybe its now or never
Come on, lets have some fun tonight
CHORUS
STICK
Oh, I can see it in your eyes
Baby, forever starts tonight
I want to feel your heartbeat
Oh, baby youre what I need
Come on, lets have some fun tonight
Lets go crazy!
