The Replacements, We're The Replacements

"Hi, we're the Replacements
Hi, we're the Replacements
Hi, we're the Replacements
And we're playing in a rock and roll band
Rock and roll band

We're having a good time
We're having a good time
We're having a good time
Rock and rolling till the break of dawn
Break of dawn

Hey where's Tommy, someone find Tommy
We're out on the road
Moving Equipment, where's the equipment
Soon we're going home

Then we'll have a party
Then we'll have a party
Then we'll have a party
Rock and rolling until the break of dawn
Break of dawn."
