Tim Hughes, Centre Of It All

Verse 1

In the beginning
Before You set the world in motion
Uncreated God eternal

Radiant beauty
Infinite, the God head three in one
Perfect Father, Spirit, Savior

Chorus:

And it all begins and ends with You
It all begins and ends with You
The first the last the center of it all

And in You all things are held together

The sun the moon the stars the heavens
Creator God, the center of it all

Verse 2

All of the Universe explodes in song before designer King
Valley shaper, mountain maker
The stars sing out, they can't contain the praises of their God
Earth creator, heaven shaker

Bridge:

Beginning of it all
The reason for it all
The centre of it all
