# Time Bomb, Green Riot

Human Contempt, Financial Interests
Blind Agressions Animal Execution
Will you support this fatal complicity?
Power is a bitch and industry follow it!

Green Riot!  Critical Day!
Not to follow those criminal states! (x2)

Where is culture? What's this future?
Billionaire today, Criminal Everyday
Liberal Pollution! Human agression!

Respect this planet or go f**k yourself

Green Riot!  Critical Day!
Not to follow those criminal states! (x2)

They criticize civil agression
And allow Planet execution!
What is our future now?
Answer this f**kin' question!
